

Louisville Metro Council

Tom Owen
District 8 Councilman

Ms. Tammy Madigan, Co-Chair
Save the Hogan's Fountain Pavilion
2048 Douglass Blvd., #1
Louisville, KY 40205

Dear Tammy –

Over the past several months, as I have learned more about the restoration and preservation efforts of your group, and as I have seen community support continue to grow, I have been moved to support your efforts to save Cherokee Park's Hogan's Fountain "teepee" Pavilion, which is clearly important to so many District 8 residents. As such, this letter serves as confirmation of my pledge, from my district funds, of the final \$3,800 of the cost to re-roof the teepee, and my hope that this pledge encourages others to donate to this grassroots effort. I am pleased to join the Belknap, Highlands-Douglass and Bonnycastle neighborhood associations in offering support for this cause.

I appreciate the opportunity to partner with your group in this endeavor and request that you keep my office updated on your fundraising progress. If I can be of any further help, please don't hesitate to contact me.

Sincerely,

Tom Owen
Eighth District Councilman
